PROFESSIONAL SUMMARY

Senior UX Designer with 7+ years designing B2B SaaS platforms for recruiters and talent teams. Specialised in design systems, data-heavy enterprise workflows, and AI-assisted tools, with measurable gains in hiring and delivery speed.

WORK EXPERIENCE

Senior UX Designer | SHL India Pvt. Ltd. | Apr 2022 - Present

- Redesigned the Interviewing platform for structured, data-informed evaluations, cutting time to hire by **60%** for adopting organisations; **89%** of candidates rated the experience excellent and the product line signed **5 deals worth about USD 10M**.
- Owned the Talent Management Design System: **55 components**, core pieces ready for dev in **1 month**, adopted by **7 squads** first, then **company-wide**, and delivery managers reported **2x work delivered per sprint**.
- Reframed TalentCentral project creation around reusable Project Groups: **10x fewer duplicate projects** and a special mention at SHL's annual awards.
- Designed a centralised data management system where clients define their organisation's own fields, values, visibility, and usage areas in one place, consumed across every platform.
- Replaced build-heavy PDF score reports with digital reports that are easier to update, scale, and customise; users now review scores online and download or share only what they need.
- Led Talent Intelligence product design across workstreams, aligning cross-functional design, product, and engineering teams on one vision.

Senior UX Designer | Girl Power Talk Pvt. Ltd. | Dec 2020 - Mar 2022

- Built and mentored a team of 5 designers, setting design standards, feedback culture, and workflows that lifted productivity and client satisfaction.
- Turned client and stakeholder requirements into scalable UX solutions.
- Conducted and led a global UI/UX design workshop.

UX Designer | Businace | Jul 2020 - Dec 2020

- Designed payroll management software and its design system.

UX Designer | Androidmate | Mar 2019 - Jun 2020

- Designed Android games, social media assets, logos, and brand guidelines.
